**PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED PATENT  
APPLICATION**

Sir:

Applicant hereby petitions the Commissioner to revive, under 37 CFR § 1.137(b), the above referenced patent application that was unintentionally abandoned. The Board of Patent Appeals and Interferences issued on June 22, 2010, a Decision under 37 CFR § 41.50(a)(1) which affirmed certain rejections under 35 USC § 103(a) as to all pending claims. The Applicants/Appellants have not commenced any appeal under 37 CFR § 1.301, and so the application became abandoned on August 23, 2010 according to the time periods set forth at 37 CFR § 1.304(a)(1). The US Patent Office issued a Notice of Abandonment dated September 28, 2010 asserting that no reply to the above-referenced Decision was received. The Applicants/Appellants confirm that we've submitted no such reply.

The Applicants/Appellants present the following three items with this Petition in satisfaction of the provisions set forth at 37 CFR § 1.137(b):

- A Reply to the Board's Decision, namely a Request for Continued Examination RCE including the fee (\$810) set forth at 37 CFR § 1.17(e).
- The Petition fee (\$1,620) set forth in 37 CFR 1.17(m);
- The Applicants'/Appellants' statement herein: the entire delay from the due date of August 23, 2010, until filing this Petition and RCE was unintentional.

The Patent Office is authorized to deduct the fees set forth above, and any other fee amounts that may be due, from Deposit Account No. 50-1925.

No terminal disclaimer is seen due, see 37 CFR §1.137(d). An RCE is an authorized reply to a final decision by the Board of Patent Appeals and Interferences by the provisions of 37 CFR 1.137(c) and of MPEP § 706.07(h) Part XI.

Also attached hereto please also find a PTO/SB/82 by which the assignee of the entire right, title and interest grants Power of Attorney for the subject application to attorneys associated with the firm of Harrington & Smith as its representatives, and revokes a previous grant. The undersigned requests that the Patent Office take note of the new correspondence address in that PTO/SB/82, and also of the new attorney docket number in that PTO/SB/82 and in the application identification set forth at page 1 of this paper.

The undersigned representative hereby petitions the Commissioner to grant revival of the subject application.

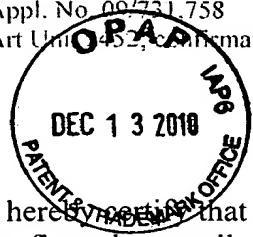

Respectfully submitted:
